Gospel-Driven Care & Compassion

*For Evangelical Free Churches of the North Central District, it is our desire that our volunteers would regard themselves as “laborers in the harvest” bringing to others the transformational power of the gospel in humility and Holy Spirit dependence. Our primary means of doing so will be to build meaningful relationships of mutual trust, love, and a common commitment to see positive change in individuals and in our community.

Additional information

Safe Families for Children is a volunteer driven ministry and provides no compensation to its volunteers. The above statements are intended to describe the general nature and level of work being performed.
