

## Safe Families *for* Children

### **MINISTRY LEADER**

*Evangelical Free Churches, NCD\**

#### **Job Summary**

This position is designed to direct the efforts of Safe Families for Children in your church. You will work closely with your church staff to recruit and mobilize your congregation to participate in Safe Families for Children. With your volunteer "case coaches" you will develop the capacity to provide emotional, spiritual and tangible resources and support for the Host Families from your congregation, and often, the biological families of the children you serve, by utilizing small groups and other resources your church has. You will also participate in the intake process of the biological family and its children. When possible you will be present in making introductions of children to Host Families as well as provide transportation from the biological family to the temporary home of the Host Family.

#### **Potential Areas of Service**

- Working with local agencies and biological families to manage intake of family and children. Provide initial transportation of child to the Host Family
- Develop and coordinate support for Host Families including tangible goods and emotional support.
- Coordinate resources including volunteer babysitters, services or tangible resources for both Host Families and biological families
- Provide needed support for Host Families
- Support and inform volunteer Case Coaches

#### **Minimum Requirements**

- Willingness to serve others without judgment or condemnation
- Administrative skills and basic computer knowledge with an attention to detail
- Healthy empathy and compassion while having the ability to set and respect healthy boundaries

#### **Gospel-Driven Care & Compassion**

\*For Evangelical Free Churches of the North Central District, it is our desire that our volunteers would regard themselves as "laborers in the harvest" bringing to others the transformational power of the gospel in humility and Holy Spirit dependence. Our primary means of doing so will be to build meaningful relationships of mutual trust, love, and respect with a common commitment to see positive change in individuals and in our communities.

#### **Additional information**

Safe Families for Children is a volunteer driven ministry and provides no compensation to its volunteers. The above statements are intended to describe the general nature and level of work being performed.
