

IMMIGRANT PATHWAY Institute

Minneapolis, Minn.
April 2019

We hope you will join us.

IMMIGRANT PATHWAY Institute is a 40-hour introductory immigration law class offered by Immigrant Hope. Class sessions will be taught by experienced immigration attorneys and practitioners and will touch on every area of immigration law.

This class should provide attendees with foundation for understanding the immigration system, and can serve as the first step toward earning **Department of Justice (DOJ) accreditation**, the government certification that allows non-attorneys to practice immigration law. The class will also give church and faith-based workers tools to integrate immigration legal ministry into their holistic community outreach. IMMIGRANT PATHWAY Institute is an invaluable tool for those who are called to serve the under-resourced immigrants in their community.
