Brothers and Sisters in the North Central District,

This letter is to inform you of an additional proposed district bylaws amendment to be presented at the district conference meeting on August 31, 2020. Background information and the full slate of bylaw amendments can be found on our website: <https://ncdefca.org/proposed-bylaw-revision/>.

The additional proposed amendment would allow district conference action to be taken by remote means, as needed, rather than being restricted to in-person meetings. The change is shown here, with the proposed amendment underlined:

ARTICLE 6 CONFERENCES AND MEETINGS

A. TIME, PLACE, PURPOSE, AND NOTICE

1. The North Central District shall hold an annual conference. Special business conferences may also be held at times and places decided at a previous conference or as decided by the Board of Directors. The Board of Directors may provide that any annual conference or special business conference may be held by one or more means of remote communication or that delegates not physically present may participate by means of remote communication.

Voting on the proposed bylaw amendments, as well as on other district business, will be done by official conference delegates on August 31. **If your church submitted a conference delegate form for the originally scheduled district conference at the end of April, those individuals will be considered your delegates for August 31.** If you wish to change those delegates, or if you need to submit a delegate form for the first time, please download the conference delegate information & packet, if needed, at <https://ncdefca.org/events/> (2020 District Conference Part 2).
